For 30 years, Neighborhood Housing Services of the Inland Empire (NHSIE), a non-profit HUD approved counseling agency, has been dedicated to helping local residents revitalize their neighborhoods and achieve and maintain affordable homeownership in the Inland Empire.

In our efforts to revitalize and beautify the local community, NHSIE is seeking to identify families who may benefit from our volunteer services, which includes minor exterior beatification services to their home such as external painting, landscaping, yard clearing, etc.

If you know of a family in need that you would like to nominate or if you are a family located in the Inland Empire, we ask that you complete the application.

All home improvement services will be completed by volunteer teams and only minor improvements can be performed. Completing this application does not guarantee that a family will be provided with the services offered. All applicants must be a homeowner.

Please complete the attached application and return via email or mail to Tenika Hill, Sr. Administrative Assistant.

For questions or concerns, please contact Tenika Hill directly at 909-963-5218 or via email at [Tenika.hill@nhsie.org](mailto:Tenika.hill@nhsie.org). You will receive confirmation of receipt of your application via email.

Regards,

Tenika Hill
